Rough-Cut Review Log

Middle-school film revision | One note per sheet | PromptSprite

Project / session / note ID

Original export filename / date / runtime

Scene / original timestamp / landmark

Reviewer observation: what was understood or missed

Story intention: what the audience should understand

Conflicting note ID / evidence, if any

Decision: act / retain / ask / defer + reason

One testable action / existing material needed

Owner / receiver / return point / dependency

Teacher hold / question / authorized answer reference

Revised export filename / date / new timestamp

Retest question / reviewer / observed result

Verification: pass / fail / inconclusive + evidence

Final state: closed / reopened / carried + next owner / date

Keep original evidence. Blank means unrecorded; discussion alone does not close a note.

Classroom working record; no permission to publish, share private material, or use held assets.
